

## Population Health: Infectious Disease Research

Guest Editor:

**Prof. Dr. Christos  
Hadjichristodoulou**

Laboratory of Hygiene and  
Epidemiology, Faculty of  
Medicine, University of Thessaly,  
41222 Larissa, Greece

Deadline for manuscript  
submissions:

**closed (30 November 2023)**

### Message from the Guest Editor

For this Special Issue of the *International Journal of Environmental Research and Public Health (IJERPH)*, we invite the submission of manuscripts exploring any topic related to infectious disease and human health, including those that will contribute to or influence infectious disease prevention, mitigation, control and management. Manuscript types accepted can include but are not limited to new research papers, systematic reviews and meta-analyses, methodological papers, brief reports and position papers. Infectious diseases to be addressed can include but are not limited to emerging or re-emerging infectious diseases and neglected tropical diseases. We will accept manuscripts from different disciplines including epidemiology, public health, environmental health, travel medicine, infectious disease modelling, immunology, and microbiology among others.

an Open Access Journal by MDPI

## Editor-in-Chief

University, 1700 E. Cold Spring  
Lane, Baltimore, MD 21251, USA

## Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, PubMed, MEDLINE, PMC, Embase, GEOBASE, CAPus / SciFinder, and other databases.

**Journal Rank:** CiteScore - Q1 (*Public Health, Environmental and Occupational Health*)
