Message from the Guest Editor

Dear Colleagues:

We are pleased to announce the Special Issue entitled “Feature Papers in Public Health Statistics and Risk Assessment”. This is a collection of relevant white papers, topic overviews, tutorials, and seminal work of current interest in the field.

We hope this topic is of interest to you and invite you to send a tentative title and short abstract to our editorial office (ijerph@mdpi.com) for evaluation before submission. Please note that selected papers are still subject to thorough peer review.

We look forward to receiving your excellent work.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
