Message from the Guest Editor

Dear Colleagues,

This Special Issue of *Immuno* is dedicated to recent advances in immunological research and clinical applications and will showcase a selection of exclusive papers of the Editorial Board Members (EBMs) of *Immuno*. It specifically focuses on highlighting recent interesting investigations conducted in the laboratories of our section's EBMs and represents our young section as an attractive open-access publishing platform for immunology research data.

Prof. Dr. Toshihiko Torigoe
