

inorganics

We are pleased to announce the winners of the 2018 *Inorganics* Best Paper Award. One review paper and two research articles published between 1 January and 31 December 2018 were selected by the Evaluation Committee according to their originality and significance as well as citations and download rates in 2019 (Web of Science). The award recipients will each receive a certificate and a quota of publishing a paper in *Inorganics* with all publication fees waived. The winners are listed as follows:

2018 BEST PAPER AWARDS WINNERS
