

# *inorganics*

Dear Colleagues,

We are pleased to announce that *Inorganics* is now inviting nominations for the *Inorganics* 2024 Young Investigator Award. This prize will be given to one young investigator in recognition of their excellence in the field of inorganic chemistry. All nominations will be assessed by an Award Evaluation Committee led by the journal's Editor-in-Chief, Prof. Dr. Duncan H. Gregory.

### The Prize

- CHF 2000;
- Option to publish one paper free of charge in *Inorganics* after peer review before the end of 2025;
- An electronic certificate.

### Eligibility and Requirements

- Must have received their PhD no more than 10 years prior to 31 December 2024;
- Must have produced ground-breaking research and made a significant contribution to the advancement of inorganics chemistry;
- Candidates must be nominated by senior scientists.

### List of Documents for Nomination

- Detailed Curriculum Vitae, including an updated publication list and a list of the researcher's own research grants;
- Scanned copy of doctorate certificate;
- Signed nomination letters from two established senior scientists.

### Schedule

- Nomination deadline: 31 October 2024
- Winner announcement: 31 December 2024

### How to Submit Nominations?

The nominations must be submitted online.
