

insects

Dear Colleagues,

We are pleased to announce the winners of the *Insects* 2021 Outstanding Reviewer Award. The *Insects* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy dedicated by reviewers to check manuscripts submitted to *Insects*. It is due to their efforts that the high quality of the journal and quick turnaround can be maintained.

The following three reviewers have been selected on the basis of the number, quality, and timeliness of their review reports (in no particular order):

2021 OUTSTANDING REVIEWER AWARD WINNERS

Dr. Carmelo Peter Bonsignore

Università Mediterranea di Reggio Calabria, Reggio Calabria, Italy
Research Interests: insect ecology; pest management; forest entomology; biological control; tritrophic interactions

Prof. Dr. Klaus H. Hoffmann

Animal Ecology I, University of Bayreuth, Bayreuth, Germany
Research Interests: entomology; ecology; endocrinology; invertebrate biochemistry and physiology

Prof. Dr. Ivan Milosavljević

Department of Entomology, University of California, Riverside, CA, USA
Research Interests: biological invasions; invasive species; biological control; IPM; parasitoids; species distribution models; ecological modeling; multivariate analysis; life-table invasion models; temperature; insect development

Each winner will receive a prize of CHF 500, a certificate, and a chance to publish a paper in the *Insects* free of charge in 2022.
