Dear Colleagues,

We are pleased to announce the winner of the 2018 *Inventions* Travel Award for a Junior Investigator, who will receive **600 CHF towards** his travel expenses to participate at an international conference in 2018.

The 2018 *Inventions* Travel Award has been granted to:

**Dr. Mojtaba Abdi-Jalebi**, a Post-Doctoral Researcher in the Cavendish Laboratory, Department of Physics, University of Cambridge, JJ Thomson Avenue, Cambridge, UK. **Dr. Abdi-Jalebi's** research focusses on fabrication and deep characterization of hybrid perovskite materials and implementing them in optoelectronic devices including solar cells, LEDs and field effect transistors (FETs) to reach high performance and long-term stability.

## 2018 TRAVEL AWARD WINNER

We would like to congratulate Dr. Abdi-Jalebi on his excellent work . We would also like to thank all applicants for their interesting and high-quality contributions and Scientific Committee members for their evaluation of the candidates.
