Superiore di Sanità, Rome, Italy

Deadline for manuscript
submissions:

closed (15 November 2023)

Message from the Guest Editor

This Special Issue aims to explore the dynamic interplay between digital health and artificial intelligence (AI) and its transformative impact on the field of precision medicine.

Topics of interest for this Special Issue include, but are not limited to:

- The role of wearable devices and remote monitoring in precision medicine;
- AI-driven approaches for genomic analysis and precision diagnostics;
- Intelligent algorithms for clinical decision support in precision medicine;
- Applications of telemedicine and digital health platforms in delivering personalized care;
- Ethical considerations and regulatory frameworks for digital health and AI in precision medicine;
- Data privacy and security in the era of interconnected healthcare systems;
- AI-driven precision medicine for specific diseases or populations;
- Real-world case studies demonstrating the impact of digital health and AI on patient outcomes.

We invite researchers and practitioners from various disciplines to contribute to this Special Issue and contribute to expanding our collective knowledge in this exciting and rapidly evolving field.

Message from the Editor-in-Chief

Journal of Personalized Medicine (JPM; ISSN 2075-4426) is an international, open access journal aimed at bringing all aspects of personalized medicine to one platform. *JPM* publishes cutting edge, innovative preclinical and translational scientific research and technologies related to personalized medicine (e.g., precision medicine, pharmacogenomics/proteomics, systems biology, ‘omics association analysis). *JPM* is covered in Scopus, the Science Citation Index Expanded (SCIE), PubMed, PMC, Embase, and other databases.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, and other databases.

Journal Rank: JCR - Q2 (*Medicine, General & Internal*) CiteScore - Q2 (*Medicine (miscellaneous)*)
