life

Dear Colleagues,

We are pleased to announce the winners of the *Life* 2022 Outstanding Reviewer Award. The *Life* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy dedicated by reviewers in checking manuscripts submitted to *Life*. It is due to their efforts that the high quality of the journal and quick turnaround are maintained.

2022 OUTSTANDING REVIEWER AWARD
WINNERS

Prof. Dr. Andrei S. Rodin

Department of Diabetes Complications and Metabolism, Diabetes and Metabolism Research Institute, City of Hope, Duarte, USA

Research interests: development of mathematically rigorous computational systems; biology methodology and software (Bayesian networks, mixed mutual information, machine learning, and artificial intelligence in general) that is directly applicable to high-dimensional heterogeneous data being routinely generated within the current biomedical research pipelines; big datasets that are increasingly overwhelming in the context of secondary data analysis; theoretical evolutionary biology

Prof. Dr. Kazuhiko Kotani

Department of Clinical Laboratory Medicine and Department of Public Health, Jichi Medical University, Shimotsuke, Japan

Research interests: community life design; lipid and lipoprotein metabolism; oxidative stress; laboratory medicine; education and behavior

The Prize for Each Winner:
- CHF 500;
- A CHF 1000 voucher to publish a paper in Life in 2023 after peer review;
- A certificate.
