Dear Colleagues,

As the Editor-in-Chief of *Macromol*, it is my great pleasure to announce the winners of the *Macromol* 2023 Best PhD Thesis Award. This award is for two PhD students or recently qualified PhD who have produced a highly anticipated thesis with great academic potential.

## 2023 BEST PHD THESIS AWARD

# WINNERS

The award has been granted to:

**“Towards Polymer Sustainability via Green Composites from Norbornylized Seed Oils, and Tire Environmental Impact Study” By Jomin Thomas, The University of Akron, USA**

**“Properties and Applications of Nanoporous-Crystalline Polymers” By Antonietta Cozzolino, University of Salerno, Italy**

Each winner will receive CHF 300, a certificate, and a chance to publish a paper free of charge after peer review in *Macromol* in 2024.

On behalf of the evaluation committee, I congratulate the winners on their accomplishments. We would like to take this opportunity to thank all the applicants for submitting their exceptional theses, and thank the Award Committee for voting and helping to organize this award.

Prof. Dr. Ana María Díez-Pascual
