

materials

Dear Colleagues,

We are pleased to announce the winners of the *Materials* 2022 Outstanding Reviewer Award. The *Materials* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy dedicated by reviewers in checking the manuscripts submitted to *Materials*. It is due to their efforts that the high quality of the journal and quick turnaround are maintained.

Dr. Alexander Sobolev

Department of Chemical Engineering, Ariel University, Ariel, Israel

Dr. Anca Mazare

1. Department of Materials Science and Engineering, Friedrich Alexander University of Erlangen Nurnberg, Erlangen, Germany
2. Advanced Institute for Materials Research (AIMR), National University Corporation Tohoku University, Sendai, Japan

Dr. László Almásy

Institute of Energy Security and Environmental Safety, Centre for Energy Research, Budapest, Hungary

Dr. Valerio Belardi

Department of Enterprise Engineering, University of Rome Tor Vergata, Rome, Italy

Dr. Wenbin Zhou

Faculty of Engineering, Department of Mechanical Engineering, Imperial College London, London, UK

Prof. Dr. Piotr A. Gauden

Adsorption and Catalysis Carbon Materials Application in Electrochemistry and Environmental Protection Reserch Group, Nicholas Copernicus University, Torun, Poland

The Prize for Each Winner:

- CHF 500;
- An opportunity to publish a paper free of charge in *Materials* in 2023 after peer review;
- A certificate.
