

medicina

Dear Colleagues,

We are pleased to announce that the winner of the *Medicina* 2022 Young Investigator Award is Dr. Juan Jesús García-Iglesias.

Dr. Juan Jesús García-Iglesias is a researcher at the University of Huelva. Dr. Juan Jesús García-Iglesias's research interests are in occupational health and safety, healthcare systems, and public health. Dr. Juan Jesús García-Iglesias received his PhD in 2021 and has an outstanding publication record, comprising 29 publications in peer-reviewed international journals. He is clearly a rising star in the field of public health. Please join us in congratulating Dr. Juan Jesús García-Iglesias for his outstanding achievements.

2022 YOUNG INVESTIGATOR AWARD

WINNER

As the awardee, Dr. Juan Jesús García-Iglesias will receive an honorarium of CHF 2000, an offer to publish a paper free of charge before the end of 2023 in *Medicina* after peer review, and an electronic certificate.

We would like to thank all of the nominators from various fields of study for their participation in addition to all of the Award Committee Members for their evaluation of the many excellent nominations.
