Dear Colleagues,

I am pleased to announce the winner of the Membranes Travel Award for 2018:

The recipient of the Travel Award is Ms. Edyta Rynkowska, a PhD student at the Faculty of Chemistry of Nicolaus Copernicus University, Toruń, Poland.

Ms. Edyta Rynkowska's main research interests focus on separation membrane materials containing polymerizable and reactive ionic liquids.

On behalf of the Membranes team, I would like to congratulate Ms. Edyta Rynkowska for her research achievements!
