2018 BEST PAPER AWARD WINNERS

The above papers were selected and confirmed by the “Best Paper Award” evaluation committee, which consisted of six members of the *Microorganisms* Editorial Board. The winners were determined according to the following criteria:

- Quality, novelty, and scientific soundness
- Citation and download rates

In recognition of their accomplishment, the winners will receive a certificate and an offer to publish a paper free of charge in *Microorganisms*, after the normal peer-review procedure.
