Dr. Greeshma Gadikota

Dear Colleagues,

We are pleased to announce that the winner of the *Minerals* 2020 Young Investigator Award is Dr. Greeshma Gadikota.

Dr. Greeshma Gadikota is an Assistant Professor and Croll Sesquicentennial Fellow in the School of Civil and Environmental Engineering at Cornell University. Dr. Gadikota directs the Sustainable Energy and Resource Recovery Group. Prior to Cornell, she served on the faculty at the University of Wisconsin – Madison, held postdoctoral research associate appointments at Princeton University and Columbia University, and a research associate appointment at the National Institute of Standards and Technology (NIST). Her PhD in Chemical Engineering and MS degrees in Chemical Engineering and Operations Research are from Columbia University. Her BS in Chemical Engineering is from Michigan State University. She is a recipient of the DOE CAREER Award, AIChE Sabic Award for Young Professionals from the Particle Technology Forum, an invited participant in the NAE Frontiers of Engineering, invited speaker at the NAE German-American Frontiers of Engineering Symposium, and was recognized as a Scialog Fellow in Negative Emissions Science.

## 2020 YOUNG INVESTIGATOR AWARD WINNER

As the awardee, Dr. Greeshma Gadikota will receive an honorarium of 2000 CHF, an offer to publish a paper free of charge in *Minerals* after peer-review, and an engraved plaque.

We would like to thank all nominators from various fields of study for their participation and all Award Committee Members for their evaluation of the abundant excellent nominations.
