Dr. Lorenzo Di Cesare Mannelli

Department of Neuroscience,
Psychology, Drug Research and
Child Health (NEUROFARBA),
Pharmacology and Toxicology
Section, University of Florence,
50139 Florence, Italy

Deadline for manuscript
submissions:

closed (1 April 2020)

Message from the Guest Editors

The use of plant extracts in therapy dates back many years. Plant extracts have been commonly used over the years for the treatment and prevention of chronic and acute diseases, and health promotion.

Although many plant extracts have been studied, many others have not, therefore, a Special Issue on the pharmacology of plant extracts is timely.

This Special Issue aims to comprehensively highlight the newest discoveries in plant extract products with an emphasis on pharmacological activity.

I cordially invite authors to contribute original articles, as well as reviews, that unravel new biological activity of naturally-occurring products to help create greater opportunities for their future use.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [MEDLINE](#), [PMC](#), [Reaxys](#), [CaPlus / SciFinder](#), [MarinLit](#), [AGRIS](#), and [other databases](#).

Journal Rank: JCR - Q2 (*Chemistry, Multidisciplinary*) / CiteScore - Q1 (*Chemistry (miscellaneous)*)
