

nanomaterials

Dear Colleagues,

We are pleased to announce that *Nanomaterials* is now inviting nominations for the *Nanomaterials* 2024 Young Investigator Award. This prize will be given to three young investigators in recognition of their excellence in the field of nanoscience and nanotechnology. All nominations will be assessed by an Award Evaluation Committee led by the Editor-in-Chief, Prof. Dr. Shirley Chiang.

The Prize:

- One first prize: CHF 2000 (Swiss Francs);
- Two second prizes: CHF 800 (Swiss Francs);
- Each winner will have the option to publish one paper, as a corresponding author, free of charge, in *Nanomaterials* in 2025, following peer review;
- An electronic certificate.

Eligibility and Requirements:

- Must have received their PhD no more than 10 years prior to 31 December 2024;
- Must have produced ground-breaking research and made a significant contribution to the advancement of research field;
- Candidates must be nominated by senior scientists.

List of Documents for Nomination:

- Detailed Curriculum Vitae, including an updated publication list and a list of the researcher's own research grants;
- Scanned copy of doctorate certificate;
- Signed nomination letters from two established senior scientists.

Schedule:

- Nomination deadline: 15 December 2024
- Winners announced: 15 February 2025

How to Submit Nominations?

The nominations must be submitted online.

If you have any questions, please do not hesitate to contact the journal marketing team at nanomaterials-marketing@mdpi.com. We look forward to receiving your nominations.
