Dear Colleagues,

As the Editorial Board Members of *Neurology International*, we are pleased to announce a Special Issue, entitled "Exclusive Papers from the Editorial Board Members (EBMs) and Invited Scholars of *Neurology International*". This Special Issue will be a collection of high-quality papers from the Editorial Board Members and invited scholars. The aim is to provide a venue for networking and communication between the journal and scholars in this field.

Both original research articles and comprehensive review papers are welcome, addressing current critical issues in the field, grounded in sound science and providing authoritative commentaries, as well as novel concepts. All papers will be published fully open access after successful peer review.
