Message from the Guest Editor

Dear Colleagues,

I am delighted to announce this Special Issue on "*Particles*. Feature Papers", which aims to collect contributions from leading scholars/scientific groups in the fields of particle physics, nuclear physics, particle astrophysics, and heavyion physics. The aim is to publish a dozen of important, high-level contributions for the benefit of the community of readers of our journal.

Submission is either by invitation of an editor of *Particles* or via a short proposal which should be sent to the managing editor Caitlin Sheng (caitlin.sheng@mdpi.com) before submission.

The papers selected for this Special Issue will still be subject to the standard peer-review process.

Prof. Dr. Armen Sedrakian *Editor in Chief*
