

# *pathogens*

Dear Colleagues,

We are pleased to announce that *Pathogens* is now inviting nominations for the *Pathogens* 2023 Young Investigator Award. This prize will be given to two young investigators in recognition of their excellence in the field of pathogens and pathogen–host interactions. All nominations will be assessed by an Award Evaluation Committee led by the Editor-in-Chief, Prof. Dr. Lawrence S. Young.

**The prize:**

- CHF 1000;
- Option to publish one paper free of charge in *Pathogens* after peer review before the end of 2023;
- An electronic certificate.

**Eligibility and Requirements:**

- Must have received their PhD no more than 10 years prior to 31 December 2023;
- Must have produced ground-breaking research and made a significant contribution to the advancement of pathogens and pathogen–host interactions;
- Candidates must be nominated by senior scientists.

**List of Documents for Nomination**

- Detailed Curriculum Vitae, including an updated publication list and a list of the researcher’s own research grants;
- Scanned copy of doctorate certificate;
- Signed nomination letters from two established senior scientists.

**Schedule**

Open for nominations: 9 August 2022.

Nomination deadline: 30 April 2023.

Winners announcement: 30 June 2023.

**How can I submit a nomination?**

Nominations must be submitted online.
