Message from the Guest Editors

Dear Colleagues,

The sixth edition of our series of electronic conferences on medicinal chemistry (<https://ecmc2020.sciforum.net/>) was hosted on the online platform “sciforum.net” from November 1 to November 30, 2020. We would like to warmly thank the hundreds of participants and the thousands of visitors who contributed to the success of this virtual event. The most outstanding works have been rewarded by our generous sponsors and, in this Special Issue, we wish to present a range of featured topics disclosed during the conference.
