### Message from the Guest Editors

Dear Colleagues,

We are pleased to announce this collection entitled “Editorial Board Members' Collection Series: New Techniques for Characterization of Drugs and Drug Products”. This Special Issue will be a collection of papers by researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication between *Pharmaceuticals* and scholars in the field of new techniques for the characterization of drugs and drug products. All papers will be fully open access upon publication after peer review.
