Message from the Guest Editors

Coatings and adhesives are indispensable polymer materials used for modern industrial development. They are widely used in construction, aerospace, electronic information, artificial intelligence, biomedicine, and other applications. As people pay more attention to environmental protection and sustainable development, research on environmentally friendly coatings and adhesives is receiving increasing attention. For example, water-based coatings, water-based paints, photocuring resins, re-use adhesives, powder coatings, pressure-sensitive adhesives, and solvent-free adhesives have been developed and applied at high speeds. This Special Issue aims to establish a platform for the above-mentioned research on environmentally friendly coatings and adhesives. We welcome all scholars to submit papers.

Deadline for manuscript
submissions:

15 July 2024

polymers

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Alexander Böker

Lehrstuhl für Polymermaterialien
und Polymertechnologie,
University of Potsdam, 14476
Potsdam-Golm, Germany

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 5.0.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, PubMed, PMC, FSTA, CAPlus / SciFinder, Inspec, and other databases.

Journal Rank: JCR - Q1 (*Polymer Science*) / CiteScore - Q1 (*Polymers and Plastics*)
