Message from the Guest Editors

Dear Colleagues,

We would like to invite global contributors to shed light on these following issues to help develop a robust literature base on the topic that could inform directions for future research and provide practical/clinical insights and implications for practitioners.

- **Religious and Spiritual (R/S) dispositions** (e.g., character strengths, virtues, attachment to God);
- **R/S practices** (e.g., religious coping, spiritual practices);
- **R/S-oriented interventions** (e.g., positive psychology interventions, spiritually oriented interventions)

We request that, prior to submitting a manuscript, interested authors initially submit a proposed title and an abstract of 400–600 words summarizing their intended contribution before **15 September 2022** (abstract deadline). Please send it to the *Religions* Editorial Office (religions@mdpi.com) or to the Guest Editors (david.wang@biola.edu and eu.gene.chin@biola.edu).

Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community - disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

Religions is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
