

# *remote sensing*

Dear Colleagues,

We are pleased to announce that *Remote Sensing* will be granting the 2023 Travel Award to two junior scientists. The applications will be assessed by an Evaluation Committee consisting of senior scholars from the *Remote Sensing* Editorial Board.

This award provides financial support for the winners to attend an international conference in the field of the science and application of remote sensing technology to be held in 2023 in order to give a presentation, present a poster, or both.

## 2023 TRAVEL AWARD

FOR POSTDOCTORAL FELLOWS OR PHD STUDENTS

### **Candidate Requirements:**

- Postdoctoral fellows or PhD students;
- Plans to attend an international conference in 2023 (oral presentation or poster).

### **Required Application Documents:**

- Information of the conference the applicant is planning to attend and the abstract that will be submitted;
- Curriculum Vitae and list of publications;
- Justification letter describing the focus of the research (max. 800 words);
- Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/ PhD student.

The winners (two awardees) will each be awarded CHF 800 and a certificate.

Please submit your applications for the *Remote Sensing* 2023 Travel Award online by 28 February 2023. Prizes will be awarded on 15 May 2023 and announced on the *Remote Sensing* website.
