Dear Colleagues,

As Section Editor-in-Chief of *Remote Sensing*, I am pleased to announce the winners of the *Remote Sensing* Travel Awards for 2021.

2021 TRAVEL AWARD WINNERS

The awards have been granted to Dr. Amen Al-Yaari, who was awarded a post-doctoral fellowship by UMR METIS (Environment, Transfers and Interactions in Soils and Water Bodies), Sorbonne University, and Dr. Meng Lu, the post-doctoral fellow of Department of Physical Geography, Utrecht University.

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the Assessment Committee, I congratulate the winners on their accomplishments.
