Dear Colleagues,

We are pleased to announce the winner of the *Sensors* 2021 Travel Award in Physical Sensors.

The Evaluation Committee was very impressed with the high quality of work presented for consideration. After careful evaluation, we can now announce that the award has been granted to Dr. Eleonora Macchia, a PostDoctoral Researcher at Faculty of Science and Engineering, Åbo Akademi University –Turku (Finland). Her research focuses on organic bioelectronics; electrolyte-gated thin-film transistors; single-molecule detection with a transistor (SiMoT); proteomic biomarkers; genomic biomarkers; organic semiconductors.

2021 TRAVEL AWARD WINNER

Dr. Eleonora Macchia will receive 500 Swiss Francs, which she can put forth to attend academic conferences in 2021.

We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the Assessment Committee, we congratulate the winner on her outstanding accomplishments.

Kind regards,
Sensors Editorial Office
