Dear Colleagues,

On behalf of the Award Committee, we are pleased to announce the winner of the *Sensors* 2022 Travel Award in Physical Sensors and MEMS.

The award has been granted to Dr. Gerlinde Lefever, a postdoctoral researcher at the department of Mechanics of Materials and Constructions (MeMC), Free University of Brussels, Belgium. She will be awarded CHF 600 to attend the 76th RILEM Annual week and International Conference on Regeneration and Conservation of Structures (ICRCS 2022) to be held in Japan.

2022 TRAVEL AWARD IN PHYSICAL SENSORS AND MEMS

WINNER

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the Assessment Committee, we congratulate the winner on their accomplishments.
