

sensors

Dear Colleagues,

We are pleased to announce that *Sensors* is now inviting nominations for the 2023 Young Investigator Award. This prize will be awarded to one young investigator in recognition of their excellence in the field of sensors and sensing-related research. All nominations will be assessed by an award evaluation committee led by Editor-in-Chief Prof. Dr. Vittorio M.N. Passaro.

The Prize

- CHF 2000;
- An electronic certificate.

Eligibility and Requirements

- Candidates must have received their PhD no more than 10 years prior to 31 December 2023;
- Candidates must have produced ground-breaking research and made a significant contribution to the advancement of sensors and sensing-related research;
- Candidates must be nominated by senior scientists.

List of Documents Needed for Nomination

- Detailed curriculum vitae, including an updated publication list and a list of the researcher's own research grants;
- Scanned copy of doctorate certificate;
- Signed nomination letters from two established senior scientists.

Schedule

- Open for nomination: 1 February 2023;
- Nomination deadline: 25 September 2023;
- Winner announcement: 15 November 2023.

The Submission Process

All nominations must be submitted online.
