Message from the Guest Editors

This Special Issue will focus on highlighting consumers' intentions to purchase sustainable fashion. The facilitators and barriers to sustainable consumerism will also be discussed. This Special Issue provides an opportunity for researchers, academics and policy makers in a broader field, which includes fashion, textiles, retail, logistics, supply chain, economics, finance, law, accounting, marketing and management, to contribute. The following research questions can be considered for the Special Issue (the list is not exhaustive):

Deadline for manuscript
submissions:

closed (29 February 2024)

- What factors contribute to a consumer's intention to purchase sustainable fashion?
- What are the barriers to sustainable consumerism in fashion?
- What are theoretical implications of sustainable consumerism in fashion?
- How can fashion brands, retailers and policy makers facilitate the purchase of sustainable fashion?
