Dear Colleagues,

This Special Issue is dedicated to theoretical and applied aspects of environmental sustainability. Submissions are restricted to editorial board members of *Sustainability* who can contribute to an enlargement of the vision in this sector, thanks to the open access publishing strategy that characterizes the journal and promotes dissemination. Any kind of perspective involving environmental sustainability will be welcome. Both specialized topics and interdisciplinary approaches are expected in this exclusive Special Issue. Papers that connect sustainability not only to the environmental sector but also to the economic, legislative, philosophic, safety, energy, and human health sectors are also welcome.
