Message from the Guest Editors

The current situation derived from the COVID-19 pandemic is causing serious and important changes, both in health and in socioeconomic spheres. In relation to sustainability, there are deeply pessimistic expectations regarding advances toward the Sustainable Development Goals (SDGs), particularly in developing countries (Barbier and Burgess, 2020; Leal-Filho et al., 2020), and different resource and waste management challenges have appeared or worsened (Neumeyer et al., 2020; Vanapalli et al., 2020). Nevertheless, we cannot disregard some positive effects on sustainability, such as reduced emissions, and the many opportunities that this crisis can bring to contribute to sustainability transition in industrial (Kanda and Kivimaa, 2020; Schaltegger, 2020) and human systems (Giudice et al., 2020; Rowan and Galanakis, 2020)...

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (*Geography, Planning and Development*)
