### Message from the Guest Editors

This Special Issue aims to discuss the connection between sustainability, human beings, and electronic commerce, from theoretical, methodological, and disciplinary perspectives. We invite you to contribute to this issue by submitting comprehensive reviews, case studies, and research articles. In particular, electronic commerce methods specifically devised, adapted, or tailored to address problems in sustainability applications, or sustainability methods that have been demonstrated to be particularly effective at solving electronic commerce related problems, are welcome.

Deadline for manuscript  
submissions:

**closed (30 April 2022)**
