Message from the Guest Editor

Dear Colleagues,

This Special Issue is focused on the topic of urban sustainable development and the idea of the creative city. It aims to include novel research on the creative city in the sustainable urban environment, the creative urban economy under the conditions of global competitiveness, creative city policy, communication within the creative urban communities, and other aspects of creative cities under the conditions of sustainable urban development.

Theoretical and empirical articles on sustainable aspects of a creative city, on creative sectors of urban economy, and on creative urban agents are welcome.

Contributions focusing on different aspects of sustainable creative cities, the urban sustainable creative economy, and the indices of creative cities, as well as on ethical and ecological aspects of urban creativity, are encouraged.
