Message from the Guest Editors

Dear Colleagues,

This Special Issue aims to explore, discuss, and analyze how sustainable principles are being adopted in human resource management and internal marketing in all organizations in any sector (private, but also public, third and fourth sectors) as well as how this has been contributing and can contribute in the near future to the achievement of successful sustainable practices.

The guest editors welcome theoretical and empirical contributions focused on, but not limited to, the following topics:

- Internal Social Responsibility actions and campaigns in public, private, nonprofit, and hybrid organizations
- Internal marketing actions and policies dealing with sustainability principles
- Human Resource Management approaches to sustainability
- The Human Resource Department role in Corporate Social Responsibility and sustainability
- The journey to Green/Sustainable labor practices fostering employees well-being
- Labor relations and the legal support for internal management practices and procedures based on sustainability
