Deadline for manuscript submissions:

closed (31 March 2022)

Message from the Guest Editors

This Special Issue aims to contribute to the economic literature in this field by investigating the implementation of environmental good practices and their impact on labor productivity in the hotel sector and wants to investigate the following topics in their close relation to labor productivity:

- Corporate social responsibility;
- Cleaner production;
- Eco-innovation and performance;
- Eco-innovative production;
- Ecological leadership;
- Energy and emissions;
- Environmental management;
- Environmental good practices;
- Indices for measuring
- Labor productivity;
- Stakeholders and good practices;
- Sustainability in hospitality.

Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits
