### Message from the Guest Editor

For this Special Issue, we are seeking papers which present new human resource management (HRM) approaches that positively impact corporate sustainability (CS) by uncovering a set of HRM policies and practices that foster an organizational culture able to enhance CS. Research can also focus on determining the negative effects of some HRM approaches on CS.

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

- Human resource management;
- Corporate sustainability;
- Organizational culture;
- Organizational behavior;
- Social and environmental health;
- Sustainable development;
- Sustainability practices;
- Sustainable performance;
- Green practices;
- Common welfare;
- Green behaviors, competencies and values;
- Employee well-being.
