

## Sustainability in Oil, Gas and Energy Resources

Guest Editors:

**Dr. Mianxiong Dong**

**Dr. Amir H. Alavi**

**Prof. Dr. Ching-Hsien Hsu**

**Dr. Ning Zhang**

### Message from the Guest Editors

This Special Issue will focus on sustainability in oil, gas and energy resources by identifying trade-offs and efficiently managing the costs and benefits of the transition to sustainable energy, which will remain competitive and secure, and help improve quality of life and societal progress. Topics of interest include but are not restricted to:

Deadline for manuscript  
submissions:

**closed (30 October 2020)**

- environmental impact assessment with respect to sustainability in oil and gas resources
- role of emerging technologies in the rise of renewable energy
- sustainable resilience through energy, environment and social systems
- products and solutions for the sustainable use of natural resources
- mapping of the oil and gas industry to attain sustainable development goals
- identifying cost effective benefits in the sustainable energy market
- reliability factor and toughness analysis of energy supply networks
- future trends towards building a sustainable value chain in the oil and gas industry
- role of oil and gas in securing a sustainable energy future
- challenges and contributions associated with sustainable development goals in the energy sector
- new theories of generation, accumulation and storage of oil, gas and energy resources

an Open Access Journal by MDPI

## Editor-in-Chief

### **Prof. Dr. Marc A. Rosen**

Applied Science, University of  
Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (*Geography, Planning and Development*)
