Symmetry established the Best Paper Award to recognize its best published articles. The prize started in 2015 and since 2017 it has been awarded in two categories:

Best Original Research Article and *Best Review Paper*.

Nominations were selected by the Editorial Office of *Symmetry* based on the number of citations and downloads in 2017 from the website with all research articles published in 2015 and 2016 eligible for consideration.

The selection committee is chaired by the Editor-in-Chief, Prof. Dr. Sergei D. Odintsov, and supported by Prof. Dr. Emilio Elizalde, Prof. Dr. Karl Grammer, Prof. Dr. Stephen Anco and Dr. Alice Miller. They examined each paper and have expressed their preferences in the ranking of the “Symmetry Best Paper Award” 2017.
