### Message from the Guest Editor

Dear colleagues,

The editors of *Technologies* enthusiastically announce an upcoming issue dedicated to wearable technology in exercise and sport applications. Of specific interest are manuscripts that detail the validity of physiological variables in relation to accepted criterion measures, investigations reporting the reliability of wearable devices, and the use of wearable technologies in a wide array of sporting environments. Other manuscripts related to the topic of wearable technology and physical activity will be considered.

- Wearable technology
- Fitness trackers
- Exercise, sport, physical activity
