

toxins

The *Toxins* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy given by reviewers in checking manuscripts submitted to the journal. It is thanks to their efforts that the high quality of the journal and quick submission to publication process are maintained.

Please join us in congratulating the two referees below, who will receive the “*Toxins* 2019 Outstanding Reviewer Award” in recognition of the quantity, timeliness, and quality of their reviews in 2019. Each of them will receive 500 CHF and a certificate for their outstanding review work.
