Message from the Guest Editor

We are pleased to announce the forthcoming Special Issue of *Diversity*, focused on spatiotemporal bird distribution and conservation.

This Special Issue welcomes new and original understandings of relevant topics, namely spatiotemporal bird distribution patterns, relevant ecosystem functions, the causes or consequences/impacts of bird distributional changes, and implications for avian conservation. Please do not hesitate to contact us if you have questions or are interested in contributing to this Special Issue.

Message from the Editor-in-Chief

Diversity (ISSN 1424-2818) is a scholarly journal that covers all areas of diversity research. Our distinguished editorial board and refereeing process ensures the highest degree of scientific rigor for publishing. Original research articles and timely reviews are released online, with unlimited free access.

We invite papers and reviews on multidisciplinary topics of diversity that bridge organismic diversity (systematics, biodiversity, phylogeny, population genetics, and evolution) and molecular diversity (phytochemistry and biophysics).
